			Mrs McNeeney	Mrs McNeeney										
Friday	Fine Motor Skills	Gross Motor Skills	Maths / Literacy	Continuous Provision, including Snack and Interventions				Lunch / Rest / Readig / Dough Disco / Handwriting		Continuous Provision, including Snack		GOLDEN TIME		

Notes

The timetable is subject to change as topics and events in School dictate - we will notify you if these changes mean the children need to bring in anything different

The children should have School PE kits, waterproof trousers, cagoule and wellies in School all the time

CPT (Continuous Provision Time) is also known as 'Child Initiated Time' (play in which children choose what and how to play and who to play with). Opportunities are set up for children to discover, linked to their next steps, challenging them further.

PSED is a constant activity running alongside all activities

EYFS Areas of Learning

L – Literacy

M – Mathematics

EAD – Expressive Arts & Design

UW – Understanding the World

PSED – Personal, Social & Emotional Development

PD – Physical Development

CL - Communication & Language
